ALL OFFERINGS ELIGIBLE FOR MICROSOFT FUNDING

DATA & ANALYTICS PRACTICE

Microsoft Fabric Workshops

"Fabric is to Data what 365 is to Productivity - Let's see what we can do with it."

Why Centric Consulting?

HIGHEST LEVEL OF PARTNERSHIP
All six Microsoft Solutions Partner Designations. AI Inner Circle member. Microsoft Managed Partner.

PROVEN THOUGHT LEADERSHIP
Real-world implementation experience with deep Microsoft Fabric and Azure expertise.

BUSINESS FIRST APPROACH
We start with your goals and tailor technology solutions to meet them - not the other way around.

1,400+ CONSULTANTS NATIONWIDE
Local talent and global resources. 14 locations across the U.S. and India since 1999.

THE MAIN EVENT

AI-Activated Analytics Proof of Value

~6 WEEKS

We identify one of your business goals, stand up your Fabric environment, and design and implement a lightweight Copilot-centered solution. We test, train, and optimize - and at the end, you have a tangible, custom example of a modern data solution driving real business insights.

LIVE ENVIRONMENT
Your Fabric instance, configured and running

COPILOT INTEGRATION
AI-powered analytics you can interact with

BUSINESS INSIGHTS
Tangible results tied to your goals

> BUILD MOMENTUM WITH HANDS-ON WORKSHOPS >

Your On-Ramps to Fabric

Three workshops to build skills and identify opportunities before the POV

1

HALF-DAY

Fabric Ideation Workshop

Our Data Strategists and a Microsoft Fabric expert work with your business and technology leaders to identify key data capabilities and quick-hit Proofs of Value.

STRATEGY + DISCOVERY

2

1 DAY

Fabric Engineer in a Day

Hands-on workshop covering core Fabric concepts, getting started fast, and demonstrating key capabilities like Real Time Intelligence dashboards. Get your data team going.

HANDS-ON TECHNICAL

3

2 DAYS

Data Insights with AI Workshop

Microsoft-designed workshop that starts with Fabric engineering then pivots to building Generative AI and Conversational Data systems. Focused on practical AI skills.

AI + ADVANCED ANALYTICS

From Proof of Value to Enterprise Scale

After a successful POV, Centric scales your Fabric solution across the entire organization - regardless of size. Our proven methodology, deep bench of certified consultants, and global delivery capability mean we grow with you from pilot to production.

The Complete Journey

1. **IDEATE** — Half-Day Workshop
2. **ENGINEER** — 1-Day Hands-On
3. **AI INSIGHTS** — 2-Day Workshop
4. **PROOF OF VALUE** — ~6 Weeks
5. **ENTERPRISE SCALE** — Any Size Organization

What You Get Along the Way

- **Data capability assessment** aligned to your business priorities
- **AI and GenAI practical skills** applied to your own data
- **Roadmap to scale** from POV to enterprise-wide deployment
- **Hands-on Fabric experience** for your data professionals
- **A working Copilot-centered solution** tied to a real business goal
- **Microsoft funding guidance** to offset your investment
